- 搜尋欄位前，挑選『類別Books』

The screenshot shows the ClinicalKey website interface. At the top left is the Elsevier logo and the ClinicalKey brand name. Below this is a large orange search bar with the placeholder text "Search for conditions, treatments, drugs, books, journals, and more". To the left of the search bar is a dropdown menu currently set to "All Types". This dropdown menu is open, showing a list of categories: "All Types", "Books", "Journals", "Clinical Overviews", "Clinical Trials", "Drug Class Overviews", and "Drug Monographs". The "Books" category is highlighted with a red rectangular box. To the right of the dropdown is a text input field labeled "Type your search" and a blue "Search" button. Below the search bar, there is a section titled "Inform your clinical decisions" which contains four tiles: "Clinical Overviews" (with a right arrow), "Drug Monographs" (with a right arrow), "Calculators" (with a right arrow), and "Drug Class Overviews" (with a right arrow). Each tile has a brief description of its content.
